

AAS in Technical Studies Degree Options for NJ PLACE Participants

Through NJ PLACE's articulation agreements, qualifying students wishing to pursue either the business management or construction management option within the Technical Studies program receive a minimum of 25 transfer credits from their completed apprenticeship. Listed below are the colleges offering these degree options. Please be aware that colleges may offer other options on the AAS in Technical Studies degree, however there are no agreements regarding the transfer of apprenticeship credits into these other options.

*Colleges offering the **Business Management** Option:*

Atlantic Cape CC
Brookdale CC
Burlington CC
Cumberland CC
Hudson CCC
Mercer CCC*
Raritan Valley CC
Salem CC

*Colleges offering the **Construction Management/Supervision** Option:*

Bergen CC*
Burlington CC
Cumberland CC
Mercer CCC*
Middlesex CC*

* College does not officially offer the option, but is able to tailor career elective coursework to suit the educational needs of those interested in the option.

For more information, please contact NJ PLACE at 732-932-7924 or njplace@work.rutgers.edu.
